EXPERIENCE

Senior Design Tech NOVEMBER 2006-JULY 2009

CLARK NEXSEN ARCHITECTURE & ENGINEERING DC CAPITAL REGION

Produced site plans from topographic surveys, site layouts, grading plans, elevations, and sheet sets, including: Lease exhibits; zoning drawings; and construction drawings. Executed autocad needs for the pcs, civil, transportation, interiors and architecture departments. Mentored and trained all new hires and interns on autocad standards and practices. Created photo simulations using photoshop to illustrate proposed equipment in existing conditions. Designed brochures and other marketing tools for corporate events in the DC office.

Autocad Specialist SEPTEMBER 2001-OCTOBER 2006

SYRACUSE HOUSING AUTHORITY SYRACUSE, NY

Implemented and maintained the *Maintenance Special Projects department*, which restructured the Housing Authority by creating an entirely computerized database of architectural files.

Compiled information from over 60 years of blueprints, as-builts and project addendums to create an accurate and up to date set of autocad files.

Developed binders for maintenance field staff consisting of utilities plans, apartment floor plans, site plans, elevations, HVAC maps, evacuation maps, etc. to increase efficiency and ensure cost effectiveness throughout the department.

Served as in-house designer on renovations, office layouts and site improvements.

Produced and managed bid contracts for the modernization department.

Principal JANUARY 2001-PRESENT
